Answer: A

Explanation:

Graphical user interface, text, application, letter, email Description automatically generated

Box 1: Yes

The Safe Attachments 1 policy applies to Group1. Alex Wilber is in Group1. Box 2: No

Megan Bowen is in Group2. The Safe Attachments 2 policy applies to Group2. The Safe Attachments 2 policy will block the email rather than remove the attachment and deliver the email.

Box 3: No

Lynne Robbins is in the Sales department which means she is a member of Group3. She is also a member of Group2 and Group4.

The Safe Attachments 2 policy blocks emails and applies to Group2. There are no other Safe Attachments policies that apply to Group3 or Group4. Scoring is based on the outcome of performing the tasks stated in the lab. In other words, it doesn't matter how you accomplish the task, if you successfully perform it, you will earn credit for that task.

Labs are not timed separately, and this exam may have more than one lab that you must complete. You can use as much time as you would like to complete each lab. But, you should manage your time appropriately to ensure that you are able to complete the lab(s) and all other sections of the exam in the time provided.

Please note that once you submit your work by clicking the Next button within a lab, you will NOT be able to return to the lab.
